

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Dixie High School is located in the beautiful, quaint, and collegiate town of Due West, S.C. Our mission is to continuously strive for excellence in academics, athletics, and achievement. Our many scholastic initiatives are driven by the focus we have on preparing all of our students to be successful in life, whether it be a collegiate education, a chosen career, or serving in our honored military forces. Our teachers are active in planning instruction that focuses on relevance and rigor. We use data from various sources, such as the TeachScape Observation Tool, to drive instruction. The faculty, staff, and administration are determined to expose our students to challenging academic expectations to ensure students are ready for the various post-secondary environments. The community, students, faculty, staff, and parents all contribute to make Dixie High School a place where learning is valued, good manners and respect are the norms, and where a student feels safe in their environment. As we prepare our students to be productive citizens of our state and nation, they are given many opportunities to be involved in various programs, such as, the Abbeville County Relay for Life, the Blood Mobile Drive, sponsored by the Beta Club, Pennies for Patients, Angel Tree, or by greeting and opening doors for elementary students from our two feeder schools. Our F.B.L.A. and F.F.A. state and national competitions allow our students to experience diversity and leadership on a multitude of levels. Our Future Business Leaders of America (F.B.L.A.) members once again qualified to compete at the National F.B.L.A. Convention in Chicago, Illinois in June 2015. Our Future Farmers of America members qualified again this school year to compete in the National F.F.A. Convention in the fall of 2015 in Louisville, Kentucky. Dixie High School F.F.A. members also grow local fruits and vegetables and donate those goods to our local retirement center and to our local soup kitchen, as part of their community service. With the help of our local Abbeville County Rotary Club, our students were able to establish the Dixie High School Interact Club. One of their first projects was to collect donations and items to be sent to underprivileged children in other countries. Dixie High School's 2015 graduating class had 72 students to receive high school diplomas. Forty-two of our graduates received the SC LIFE Scholarship for post-secondary education. Thirty-one of our graduates earned 396 college credit hours through Dual Enrollment programs with Piedmont Technical College and Erskine College, in the following areas: English, Math, Psychology, History, Art, Engineering, Spanish, Auto Mechanics, and Health Science. We are proud of our students and are appreciative of our strong parental and community involvement and support. The Dixie High School Foundation and town of Due West continually support our school through various means. Our district office provides support and resources to ensure our students' success. Dixie High School is a great place to learn, grow, and matriculate. Sincerely, Lori Brownlee

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
37.5	22.7	14.8	11.4	4.5

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.
